

CARDIO Milestones

Your Roadmap to Success

Make improving your patients' cardiovascular health a priority at your agency. The Home Health Quality Improvement (HHQI) National Campaign can provide the resources and assistance you need to make your efforts successful. The Cardio Milestones below provide a roadmap to achieving measurable improvement in the cardiovascular health of your patient population. You'll receive the electronic milemarker icon shown below and a certificate for each milestone you accomplish.

Join the Progressive Cardiovascular Learning & Action Network (CardioLAN)

Download all Cardiovascular Best Practice Intervention Packages (BPIPs) & Updates

Complete Data Access registration

Close one month of required patients' data in the Home Health Cardiovascular Data Registry (HHCDR)

Download one HHCDR report

Enter patient data & close a total of six months of required patients' data for HHCDR

Validate data

Achieve noted improvement in one or more cardiovascular outcomes
