

How to Access the Centers for Medicare & Medicaid Services (CMS) Surveyor Training Programs

Purpose: The Survey and Certification Group has developed mandatory training programs related to surveying for care of persons with dementia and unnecessary medication use in long term care facilities. The screenshots below provide steps to access the training programs.

1

Visit <https://surveyortraining.cms.hhs.gov>

3

Click **Reduction in Unnecessary Medications in Nursing**

2

Click **I am a Provider**

4

Click the **Course Name of the Training You Would Like to Take**

Course Name	Activity Code
Overview of Antipsychotic Medication Use in Nursing Homes	0CMSAPSYMEDUNH_Overview
Surveying for Antipsychotic Medication Use in Nursing Homes	0CMSAPSYMEDUNH_Survey
Severity & Scope Guidance - Antipsychotic Medication Use in Nursing Homes	0CMSAPSYMEDUNH_Survey
