

Volunteer for a Network 15 Board or Committee

You Can Make a Difference in the Lives of Kidney Patients in Arizona, Colorado, New Mexico, Nevada, Utah, and Wyoming!

Health Services Advisory Group (HSAG): End Stage Renal Disease (ESRD) Network 15 strives to improve the quality of care and quality of life for all ESRD patients in Arizona, Colorado, New Mexico, Nevada, Utah, and Wyoming. Renal professionals play a key role in meeting this goal. To be successful, the Network uses the services of professional and patient volunteers to serve on its **Board of Directors (BOD)**, **Medical Review Board (MRB)**, and **Network Council (NC)**.

Network 15 is looking for administrators, nephrologists, vascular surgeons, transplant surgeons, nephrology nurses, transplant nurses, social workers, registered dietitians, and patient care technicians from ESRD facilities in our service area who are interested in working with the Network to improve the quality and experience of care for ESRD patients. The Network will consider a wide range of factors in filling volunteer positions, including, expertise, knowledge, facility affiliation, geographic region, and diversity. Vacancies and term limits vary depending upon the board or committee.

Anyone interested in being considered for a volunteer position with the Network **BOD**, **MRB**, or **NC** is encouraged to complete and submit the information below, along with a current resume to Network 15 via fax or email at 303.860.8392, NW15Info@hsag.com. If you have any questions, please call 303.831.8818.
