

Viewing Your Quality Measure Trend Graphs Through the National Nursing Home Quality Improvement Campaign Website

1. Sign Into Your Account at <http://www.nhqualitycampaign.org/>

I know I am registered for the National Nursing Home Quality Improvement Campaign (NNHQIC)

- **Don't know?** [Search for your home here](#) or click 'Participants' > 'Find Nursing Home'
- **Not registered?** [Register your home here](#) or click 'Register'

I know my username/password

- **Don't know?** Try the [automatic access function](#) and click 'Forgot your username/password' at the bottom of the 'Sign in/Register' screen. You will see a confirmation message indicating the email addresses to which the access link was sent.
- **Is the access being sent to the wrong email address?** Send the [Campaign HelpDesk](#) a message indicating which email address to remove and the email address that should be used instead. (Help@nhQualityCampaign.org)

The image displays the National Nursing Home Quality Improvement Campaign website. The top navigation bar includes links for RSS FEED, NEWSLETTER, SEARCH, SIGN IN, and REGISTER. A red arrow points to the SIGN IN and REGISTER links. Below the navigation bar, there are several menu items: PARTICIPANTS, RESOURCES, PROGRESS, GOALS, ABOUT, and CONTACT US. A red arrow points to the PARTICIPANTS menu item. The main content area features a 'RECENT NEWS' section with various articles and a 'CLINICAL OUTCOME GOALS MOBILITY' section. The bottom part of the image shows the 'SIGN IN / REGISTER' form, which includes fields for Username and Password, a 'Forgot your username / password or need help?' link, and a 'LOG IN' button. A red arrow points to the LOG IN button.

2. From the Website Home Page Click Quality Measure Trends (Look for the Gold Button on the Right)

- Use the control panel to select any comparisons you would like displayed with your own trend line. If you have a check in the **'My Antipsychotic Reduction Reference Line'** box, please click the **'What is this?'** link for important information on interpreting the reference line and resources for your next steps.
