

Ohio Quality Improvement Kick-Off

The Season Has Changed and So Has Your QIO

Learn about recent changes to the Quality Innovation Network-Quality Improvement Organization (QIN-QIO) program and how you can partner with Health Services Advisory Group (HSAG) to improve the quality of care provided to your patients regarding:

- Improving cardiac health and reducing disparities.
- Reducing disparities in diabetes care.
- Improving prevention coordination through Meaningful Use of health information technology.
- Reducing healthcare-associated infections in hospitals.
- Reducing healthcare-acquired conditions in nursing homes.
- Reducing hospital readmissions and preventing adverse drug events through coordination of care.

Join us for this crucial, one-hour conversation.

WHO SHOULD ATTEND

Healthcare providers, care team members, quality improvement professionals, nursing home administrators, directors and assistant directors of nursing, and corporate executives.

WHEN

Wednesday, November 19, 2014

12 Noon to 1 p.m. (ET)

or
