

Root Cause Analysis: 5 Whys Worksheet

Use the spaces below to conduct a root cause analysis (RCA) on *one* issue. Do not list five different issues.
If your final answer is something you cannot control, reexamine your initial problem.

Issue:

Why is this happening?
1

Why is this happening?
2

Why is this happening?
3

Why is this happening?
4

Why is this happening?
5

Plan of Action:
