

Don't want to feel this way?

Then don't miss your treatments!

How often do you shorten or miss your treatment?

Greater in Relative Risk of Death	
Treatments Skipped per Year	Increases Risk of Death By
2	2.3%
12	14.0%
24	28.0%

Missed Minutes Add Up!	
Minutes Missed per Treatment	Missed Treatments per Year
5	4.33
15	13
30	26

How much of your blood is not being cleaned?

If you miss three minutes of each treatment for a week, four cups of blood go uncleaned!

Missed Minutes Add Up!	
30 Minutes Missed/Treatment	Blood Not Cleaned
1 week	8.3 gallons
1 month	33.0 gallons
1 year	432.0 gallons
