

Could You Be Ready for Work or School?

Find out by answering these questions:

1. Did you work or go to school before starting dialysis? Yes No
If you answered "Yes," do you miss the social interaction or sense of purpose that it gave you? Yes No
2. Do you want to work or go to school? Yes No
3. Do you want more social interaction in your life? Yes No
4. Do you want your life to be more active? Yes No
5. Do you want to be more financially secure? Yes No
6. Do you want to learn a new skill or improve a current skill? Yes No

If you answered "Yes" to any of the questions above,
then vocational rehabilitation (VR) may be right for you!

VR can help get you on track for work, school, training and/or learning a new skill.

Tell us how we can help you prepare for work or school:

If you're interested in vocational rehabilitation and want to find out if it's right for you:

- Ask your social worker about local resources for job training, counseling, career development and/or tuition assistance.
- Contact the VR program in your state by calling the:
 - California Department of Vocational Rehabilitation: 800.952.5544
 - Hawaii Division of Vocational Rehabilitation: 808.586.4824
- Contact the *Ticket to Work* program: 866.968.7842 or 868.833.2967 (TTY)

Any dialysis patient can get job placement assistance, training, financial aid for school, career planning, and much more through VR services!
